# 1<sup>st</sup> European Convention

(Bilingual German/English)

## "CoDA Unites"

November 13<sup>th</sup> -15<sup>th</sup>, 2015  
Lindau at Lake Constance,  
Germany

## The Convention

### CoDA Unites:

- me with other people
- me with myself
- me with my Higher Power

This International convention wishes to demonstrate that although we are from different nations and backgrounds, we in CoDA are united by a common purpose: a desire for healthy and loving relationships.

### European-Convention:

This is our motto put into action! We hope to see as many countries as possible represented at this event, from Europe and beyond. Furthermore we hope to provide all European CoDA groups an opportunity to connect and work together on an international platform. This convention is the result of a combined effort from the CoDA groups of Überlingen, Constance and Ravensburg, all from the Lake Constance region.

### Lindau at Lake Constance:

Lindau was chosen due to its unique location, in the border triangle between Germany, Austria and Switzerland. It is easily accessible by train, plane or bus from main cities. The youth hostel is housed in a beautiful historical manor which can accommodate maximum 200 people.

### Youth Hostel Lindau:

Only a 15 minute walk divides this historical youth hostel from scenic Lake Constance and the historic center on the Island of Lindau. Plan a longer stay and do a tour around the lake or visit the Wellness Spa next to the youth hostel.
